

Wider Chichibu Area Map

Otaki Autumn Leaves

Otaki area has the most beautiful autumn leaves in Chichibu City. You can enjoy it from late October to late November every year.

Misotsuchi-no-Tsurara (Icicles of Misotsuchi)

In chilling cold Chichibu, natural huge ice pillar in winter becomes tourist attraction. Icicles are illuminated from mid January to late February and they look absolutely fantastic.

Geo Park Chichibu

The Chichibu area is said to be the birthplace of Japanese geology and there are many geological tourist attractions to visit.

Hijiri Shrine

MAP I-2

Japanese first circulation currency "Wadokaichin" was made from natural copper discovered near this shrine. Today it is popular as the shrine for god of money-making.

Ryusei Matsuri Hall

MAP H-2

Through exhibitions of actual Ryusei rockets and large screen video display, the visitors can feel the experience of real Ryusei Festival

Seijunji Temple Shrine Weeping Cherry Trees

MAP H-5

There are about 30 weeping cherries and one tree, said to be 600 years old, specially has splendid blossom. Beginning of April is the best time to see the bloom.

Over-night Stay

Accommodation Facilities Eating out

Go to the hotel if you are staying over night. Would you like some Chichibu Butahormone(broiled pig innards) for dinner?

Hotto Spot Chichibukan

It used to be a merchant inn in Meiji period , about 150 years ago, and was restored into a community and tourist center. There is a large grandfather clock and a huge Shinto altar in the free break space on the first floor.

Chichibu Furusato Hall

Originally it was the building of the Meisen textile wholesaler that thrived in Taisho Period, about 100 years ago. Today the clay walled warehouse is a tourist center selling local products with a restaurant where you can enjoy sake in the evening.

Chichibu Imamiya Shrine

Imamiya Shrine is famous for a god of marriage and a power spot. The big zelkova tree in the shrine ground is said to be 1000 years old.

Kuromon Street Kaitsugisho Street

This area used to be prosperous for Chichibu Meisen Silk and historical atmosphere still remains. Let's take a Japanese vibe photo here. Please walk through the alley connecting the two streets named "Kaze no Komichi" or Breeze Lane.

Steam Locomotive

Chichibu Railway's "SL Paleo Express". The train operates one round trip between Kumagaya and Mitsumineguchi stations on Saturdays, Sundays, and holidays from around April to December.

Chichibu Jibasan Center

Chichibu's souvenirs are found on the first floor of Chichibu station building. There are pork pickled in miso, pickled Shakushina leaves, and the sweets made with maple syrup harvested from Chichibu's maple tree.

Bamba Street

In the street leading to Chichibu Shrine, there are quaint old-fashioned houses and buildings, and you can explore the historical townscape.

Dango-zaka Slope

The climax spot of Chichibu Night Festival. On December 3rd, about 20 tons weight floats are pulled up on the slope. The scene is very powerful and exciting.

Doko-Ikube

Doko-Ikube are interesting guide signs with good luck charms. You will find everywhere in the center of Chichibu. There are 100 signs in total. How many of them can you find?
